Re: Irish Orienteering Mapping Grants 2005

Based on the applications received I have allocated the IOA 2005 mapping budget of €6,000 as in the table below. Note that maps for events properly registered as Championship events before 08/03/05 would have qualified for a higher allocation - it is the IOA's intention to continue to include this stipulation in all future mapping grant schemes.

In order to draw down funds against these grants please send me commercial receipts and I will authorise a cheque from the IOA treasurer. Please remember that I cannot authorise the release of funds based on anything other than a commercial receipt. However in the case of Campus/School maps a printed copy of the map or an OCAD file will suffice.

Funds granted here must be drawn down in 2005 – it is too difficult to ring-fence funds from a previous year into the subsequent years' budgets.

On behalf of Irish Orienteering I would like to thank you for the effort and time that you put into Orienteering mapping. Without you the sport would not exist and I wish you the best of luck in your latest projects.

Regards

Marcus Geoghegan
IOA Mapping Officer
