2. **Matters arising**
3. **Dormant account funding**
8. **A.O.B**

The minutes of the two previous meetings were approved.

There was no matters arising.

Eoin spoke about the application process for the Dormant Account Funding. The IOA can make one application on its own behalf but can also apply as a partner in another project.

The funding if approved can pay for personnel to run the project but won't pay for equipment.

Paul asked the question of whether we should apply. ?

Eoin felt it would be worthwhile to allow the IOA to develop goodwill, create school resources and branding.

Eoin's suggested project is to provide Orienteering for DEIS schools around the country. This would be a basic map of the school grounds or a nearby park and the provision of orienteering materials and a person to introduce the sport to the school.

The project would use materials that are already in place in other countries.

Sarah expressed concern that the IOA would be unable to fulfil its commitments under the project.

The question was raised as to whether the IOA are able to put project detail in place in time. ??

AJ volunteered to help.

Are schools excluded. ? Sarah said at the Sport Ireland meeting it was suggested that schools were not a good target, but they were not explicitly excluded.

Aine and Eoin to put proposal together. No commitment yet.

Proposal to be put to Paul for further comment after meeting on Friday morning.

Fergal – biggest concern would be being unable to fulfil commitment once grant given.

Finished at 21.15
