MACTIRE NEWS

Mactire would like to welcome new members who have joined the Club recently and to all members we extend Christmas and New Year greetings with a reminder to attend the score event in Kilmurray on December 30th.
We are also organising on February 24th.

The Clubs latest promotions, the Leinster Dinner Dance and Clontarf street event were greatly enjoyed by all those who attended.
Finally the Treasurer would like to remind those who have not yet paid their annual sub. that they should now do so.

LEINSTER ORIENTEERING CLUBS

The third meeting of the Leinster Regional Council was held in the Curragh Camp on Thursday, 15th November 1979.

- The motion was passed that all results should be included in the LOC Newsletter and a recommendation is made to event organisers to provide the facility of an envelope results system and to display the results list at the next event.
- The catchment areas will remain as they are and club secretaries will use their discretion in directing prospective members to the appropriate club and also inform them of other clubs in the region. All clubs are to be provided with a map showing the catchment areas.
- Clubs should assist Juniors and Schools with training, introductory courses, and events, by providing maps and controls where possible.
- Clubs should subscribe a maximum of £10 to the Treasury - some of which would go towards the financing of Junior administration.
- All money in connection with the L.R.C. or Junior Sub-committee should be sent to the Treasurer: Ronan Cleary
  16 Dodder Park Road,
  Dublin 14.
- The post of Secretary is to be made permanent. Clubs are to submit nominations for Secretary before the next meeting.
- A Map Clinic has been held at several events and is proving quite successful. All help is welcomed to discuss courses with Juniors and beginners after events.
- All proposals for the next meeting are to be sent to the Treasurer, the club chairing the meeting, and all club secretaries at least two weeks before the next meeting.

Next Meeting: January 17th, 1980
Chairman : DLSO

CLARABEG. 28/10/1979.

As the first event organized by the new committee of UCDO we are very pleased with the success of the Clarabeg event. The 190 competitors had clear weather and a choice of 6 courses. In view of our lack of experience in running events we were glad to have no major mishaps, even, miraculously, no complaints about misplaced controls (Although some A-course competitors swore about the physical demands of their course). We had a dry run for the event by organizing a closed event for new UCDO members the Sunday before.

Flushed by our success we look forward to running another event in the New Year (and beyond who knows, WM 81 in Ballinderry.....?).

John Kehoe.

Planner's Note

As far as I know, this was the first "serious" Night Event in this country, and this posed certain problems regarding course lengths and control sites. I wanted an A course winning time of about 60 minutes, so I was near enough. The other courses were more difficult to predict because of the small number of competitors, but I'm satisified that they were about right. The weather on the night caused some to retire, and the full moon never even appeared, but I think the competitors found the competition challenging and enjoyable. But, even though the first closing date was on October 15th, the entries were still coming in two days before the event when I thought I had all the work done.
Ah, well.....

J. McCullough
