LOC-LOK RETURN MATCH - February 23/24th 1980

Wake Up! Wake Up!

Eh?

Come on wake up! You haven't forgotten you said you'd write a report on the trip, have you?

Yes, I had forgotten, but now that I'm at least partially recovered from the week-end, I suppose I'd better write my report on it.

The final number of travellers to London after a couple of weeks of people changing their minds and having their minds changed for them, was twenty one, eighteen travelling on the marathon boat/train route to meet up with Eddie Niland, Roxanne White and Philip Ryan on Hampstead Heath on Saturday.

After arriving in London's Euston Station shortly after 6 a.m. we went our separate ways with our LOK hosts for some breakfast and rest, to meet again later in the morning on Hampstead Heath for a very enjoyable warm-up event on a good 1:15,000 new map of, what in places, was surprisingly complex terrain. Courses of 6K and 4K proved to be quite enough for most people after a largely sleepless preceding night.

The afternoon was spent eating, drinking, sleeping, shopping or watching Monty Python's "The Life of Brian" - I can still hear Eddie laughing.

6 p.m. saw us packing into the Mondello Italian Restaurant in Goodge Street for a spot of carbohydrate loading in readiness for the big event.

Sunday's misty dawn was met with some trepidation at the thought of a 10.15 a.m. start but fortunately the Mondello had done its job and I felt quite well. The map was a new 1:15,000, 5m contour picture of part of the North Downs near Guildford in Surrey. When I first saw it at -3 mins. I thought it looked reminiscent of Castle Bernard with steep slopes to the south and mixed forest with numerous open fields, some of which were out of bounds.

The A course didn't require great 'fine orienteering' skills, but relied on providing a test of quick thinking ability in the choosing of the best route of many possible - in other words there were lots of tracks.

At this stage there are no definite results as the do-it-yourself results system was virtually a complete failure. Hopefully our results can be published in the next Newsletter.

After cleaning up we met again for the final time at Annette's flat for a meal kindly prepared by various LOK members.

Then off to Euston for the return trip. The week-end was over.

Finally, for the benefit of those who were there - a couple of unanswered questions!

Did Brendan C. sleep the whole way through "The Life of Brian"?

Will the photo of Adam come out?

Thanks everyone for a great week-end. You all have your own memories - those were just a few of mine.

Irish Orienteering Association

Notes from IOA Bulletin No. 12

LEE ORIENTEERS: Munster Orienteers have changed the name of their club! This decision was taken at their AGM in January. So now the club "M.O" cannot be confused with the Regional Council of Munster Orienteering Clubs.

IOF REPORT: Is available to all Orienteers by subscription. Published twice a year, it contains news of international orienteering and the latest from the IOF Council and Committees.

Price: $5 US for two issues (one year) including postage.

Send bank draft payable to: International Orienteering Federation, Myrmarksvagen 43, S-141 41 HUDDINGE, Sweden.

INTERNATIONAL: Ireland V Scotland 22/23 March, 1980.

This invitation match has been arranged with the Scottish Orienteering Association along the lines of the recent match at Moydamlaght, and will include M21 and W19 classes - where the best 4 of 6 nominated competitors will decide the result.

Irish Team. M21, P. Healy (CO), P. Nash (SO), D. Reidy (ECO), E. Rothery (AO), E. Wilson (LVO), W. Young (C).

W19. A. Hamilton (LVO), E. Loughman (GEN), A. Smillie (QUBOC), M. Thornhill (GEN), M. Walsh (3ROC), R. White (SET).
Reserves: M21 A. O'Cleirigh, J. May, R. O'Shea, J. Warde
W19 B. Flanagan, A. Gault.
N.B. C. May and M. Turley unavailable.

SQUAD TRAINING: A training event in preparation for the Scottish Match and JK will be held for all squad members listed above. All are expected to attend at DEVIL'S GLEN on March 9th. There will be a limited opportunity for M&W 19s, W17s and M21s who are aiming to get into the squad to participate.

Training plan/record sheets will be issued (completion of these will be essential for squad consideration), and orienteering skills will be assessed.

SQUAD NEWSLETTER: A newsletter is being launched to communicate directly with the senior squad and other interested parties.

It will include information on training, forthcoming events, team news, excerpts from the BOF squad newsletter, notes from Switzerland, assessment reports of events. It is hoped that it will become a bi-monthly issue, and will run to Sept. 1981.

Interested people outside the squad may obtain a copy by sending £3 to: TEAM MANAGER, 38 The Glen, Woodpark, Ballinteer, Dublin 16.

NOTE FOR EVENT ORGANISERS:

Organisers of events are requested to include Course Lengths as well as times in the results of Grade I events. This is necessary for assessment purposes.

CONTINENTAL CUP

This event, which is being staged near Fontainebleau, France on 5th and 6th July includes most European countries. It is based on 2 competitors from each class competing in the Individual and scoring points in accordance with the rule: 100 points for the winner, going down proportionately to 0 for the competitor with double the winner's time. The relay will be run on a similar basis but drawing 1 only from each class i.e. team 5 is made up from one M19, one M21 and one M35 - and so on for other teams. The individual event will be run concurrently on A courses of the French 3-Day.

The Irish Team entry is dependent on your support, because of the wide number of classes, and we are appealing to as many as possible to make themselves available for this unique European event. In particular I would like to hear from M & W 35, 43, 50 and 56s who could finish a course within twice the winner's time, i.e. achieve a time of better than 100 minutes for your normal length course.

All orienteers available to travel in M & W 19, 21, 35, 43, 50 and M56 please reply in writing to: Team Manager (Senior), 38 The Glen, Woodpark, Dublin 16; by March 21st 1980.

Please note correction from last LOC newsletter.

Closing date for Continental Cup should read April 30th and not March 30th. (p13).

League for Setanta Night Events - (last Wednesday in every month)

To encourage people to come to the Night Events on a regular basis we will have a league system for 4 classes - Men A, Women A, Men B, Women B. If there are enough entries we will expand the number of classes to take age groups into account.

System:

10 points for 1st, 9 for 2nd, 8 for 3rd, etc. Every event counts and there will be prizes at the end of June for top places. Course Organisers (a different person each night) get 7 points as they are unable to compete that day!
