LEINSTER SCHOOLS NEWS

THIS SEASON THE LEINSTER SCHOOLS ORIENTEERING ASSOCIATION IS HOLDING 7 EVENTS AND THE NUMBERS PARTICIPATING HAVE GROWN CONSIDERABLY. SOME EVENTS HAVE HAD NEARLY 400 COMPETITORS. THE NUMBERS COMPETING AS OPPOSED TO WAYFARING HAVE ALSO INCREASED, AS HAVE STANDARDS, PARTICULARLY IN M AND W15. UNFORTUNATELY, WE ARE STILL ATTRACTING VERY LARGE NUMBERS OF BEGINNERS WITHOUT ADEQUATE INSTRUCTION, BUT IN MOST OF OUR EVENTS WE HAVE SUCCEEDED IN ISOLATING THESE GROUPS ON WAYFARERS COURSES.

THOSE OF YOU, WHO TOOK PART IN THE EVENT AT CRUAGH ON FEB. 26TH, HOWEVER, MUST NOW BE AWARE OF THE DIFFICULTIES OF ORGANISING LARGE GROUPS CHILDREN WITHOUT ADEQUATE ASSISTANCE AND WE WOULD THEREFORE APPEAL TO ORGANISERS NOT TO ARRANGE EVENTS TO CLASH WITH SCHOOL EVENTS. WE ARE VERY RESTRICTED BY HOLIDAYS, EXAMS ETC., AND WE FIX OUR DATES AT LEAST MONTHS IN ADVANCE. IF OPEN EVENTS CLASH WITH THE SCHOOLS IT MEANS THE FEW EXPERIENCED ORGANISERS EITHER HAVE TO MISS THE SCHOOL EVENT, LEAVING IT UNDERMANNED OR MISS COMPETING THEMSELVES. IN 2 CASES THIS YEAR, THE CHOICE HAS BEEN BETWEEN A SCHOOL EVENT AND A GRADE 1 EVENT (CF. APRIL 16TH AT CASTLE BERNARD).

OUR OTHER MAIN PROBLEM IS THAT, WHILE NUMBERS AT EVENTS HAVE GROWN AND FAR MORE SCHOOLS ARE INVOLVED THIS YEAR, THERE HAS BEEN NO INCREASE AT ALL IN THE NUMBERS OF TEACHERS CAPABLE OF SETTING AND ORGANISING COURSES. WE HAVE PLENTY OF UNSKILLED HELP, BUT ONLY ABOUT 6 PEOPLE ABLE TO PUT OUT CONTROLS ACCURATELY, LET ALONE DEVISE COURSES OF A SUITABLE STANDARD. WE ALSO NEED MORE PEOPLE TO GIVE INTRODUCTORY TALKS AND MORE ADVANCED INSTRUCTION TO SCHOOLS WHO HAVE TAKEN UP ORIENTEERING. IDEALLY, LOCAL CLUBS SHOULD HELP THE ORIENTEERING SCHOOLS IN THEIR AREA, BU RUNNING TRAINING EVENTS FOR THEM, PUTTING UP FIXED COURSES AND ENCOURAGING PROMISING JUNIORS, BY SPONSORING THEM ON AFAS COURSES AND BY GIVING TRANSPORT TO OPEN EVENT. THERE IS TREMENDOUS WASTAGE FROM THE SCHOOLS, BECAUSE THERE IS SO LITTLE HELP AND ENCOURAGEMENT FROM LOCAL CLUBS AND FROM THE IOA AS A WHOLE. THE FUTURE OF ORIENTEERING IN THIS COUNTRY LIES WITH THE JUNIOR ORIENTEERS AND AT THE MOMENT THEY ARE BEING SADLY NEGLECTED. THE NEXT SCHOOLS COMMITTEE MEETING IS ON APRIL 3RD AT 8.00 P.M. IN 54 THE RISE, WOODPARK, BALLINTEER. ANYONE WITH IDEAS OF HELP TO OFFER IS VERY WELCOME. WE WOULD LIKE TO SEE ONE REPRESENTATIVE FROM ALL AFFILIATED SCHOOLS.

NATIONAL ADVENTURE SPORT DAY APRIL 16TH.

ON SUNDAY, APRIL 16TH THERE WILL BE A DAY OF SPONSORED ACTIVITIES IN ALL ADVENTURE SPORTS. THERE WILL BE TWO ORIENTEERING EVENTS - AT STRANAHELY (SCHOOLS) AND AT CASTLEBERNARD. MONEY RAISED AT THESE EVENTS WILL BE DIVIDED EQUALLY BETWEEN AFAS (THE ASSOCIATION FOR ADVENTURE SPORTS) AND THE IRISH ORIENTEERING ASSOCIATION. AFAS IS BUILDING AT TIGLIN IN WICKLOW AND AT CAPPANALEA IN KERRY. THE MONEY RAISED BY THE IOA WILL BE PUT TOWARDS SENDING AN IRISH INTERNATIONAL TEAM ABROAD.

SPONSORSHIP CARDS ARE AVAILABLE FROM CLUB SECRETARIES, FROM THE IOA AND FROM BRENDA BYRNE, 6 ROSARY GARDENS, WEST, LIBRARY ROAD, DUN LAOGHAIRE (PH. 800155).

IN ORDER THAT THE CLUBS RUNNING THESE EVENTS SHOULD NOT LOSE MONEY ON THE SCHEME, THE NORMAL EVENT ENTRY FEE WILL BE CHARGED. THIS WILL BE PAID BY THE COMPETITOR WHILE THE SPONSORSHIP MONEY WILL BE PAID BY HIS SPONSORS.

The Jan Kjellstrom Trophy Event 1978

It was to Sheffield that a large contingent of Irish Orienteers set sail for JK 78, the prime orienteering event in the British Orienteering Calendar. Most people chose to pass up the training event at Rivelin and those who did not, were thwarted by the exceptionally low tides. For those of us who travelled the National Line, the sight of John McC's gleaming coach on the quayside was indeed welcome after enduring a 2½ hr. demonstration of classic side propàllor turns now at New Brighton, and now alittle later at Birkenhead. Our friends from Queens joined us on the coach and after a brief watering stop the Rome-like hills of Sheffield city unfolded at about 12.30 and then to bed.

An early start and a circuitous route north of the city brought us to Wharncliffe for the Individual Event. The map was 1:15000, approx 3 miles long, and embodied steep hillsides littered with boulders and crags, old mine workings and acres of slow-runnable forest. Eoin (R) was our earliest starter amongst the 2400 entrants and four hours later the three separate starts were closed. A large number of Swedes together with Norwegians, Swiss, and Belgians gave the event a truly international aspect and with the high standard of competition we failed to make the top three - indeed the only Irish competitor on the rostrum was a 3rd from Queens. The organisation was superb with radio points, manned controls, and the free soup and cold drinks helped to offset the worst effects of the heavy rain and knee high mud which was a feature of the latter part of the day. The evening closed with a civic reception for invited orienteers (2 per club), and such was the feasting that it is rumoured that the doggy bags kept several people going for the next day.

One inch of snow overnight posed a completely different challenge for the Relays at Strines on the south east perimeter of the Peake District. It was a far cry from Irish events as our coach passed parking place after place and finally halted 4km ! away deep in the valley. We quickly regained the height and distance on foot and faced a 1:10000 meticulously mapped wood with 3 valleys dividing up generally runnable woodland. We waited for 50 mins to see the first person back, and it took most people 50-70mins to pick out 9- 15 relevant controls from a total of 110. The pressure was evident both at the crowded change-over and later on as one took time out to watch a competitor struggle through a torrent knee high just 20 paces down stream from a wooden bridge. Despite good individual efforts we failed to take any of the spoils, and as the organisers dished out the stainless steel prizes in the lovely Yorkshire accents, it was our lot to applaud people like Chris Hirst(M21E), Carol McNeill (W19E), and the irrepressible Alvar Kjellstrom,

We turned our backs on Sheffield on Monday and headed towards Hope Woodlands for the relaxation event. We couldn't believe our luck as the coach parked just 1km from the registration car park, but as we made our way to the start, climbing a 600feet 'relaxation hill' of sheer slope without ropes we felt at home again. Eight courses were offered on this 1:10000 map, a runnable forest on the side of a steep hill with very significant contour features. Everybody seemed to strike form at last and times were well up with the leaders. We set off for Liverpool after the baffling disappearance of several envoys at the Hope Tavern was finally solved, and raced through the Snake Pass to the strains of BBC1 to mingle once more with the green Everton & Man. Utd supporters. All that remained was the resolutions for next years JK and the duty-free queue.

The overwhelming success of the weekend was due in no small measure to the trojan organisation by John McCullough.

INTERNATIONAL TEAM SELECTION

A selection panel in M21 and W19 has been chosen based on individual performances over the current season to date and availability to compete in Norway in the W.O.C. Final selection events are Scottish Champs, Irish Champs in Glendav, Welsh Oringen (3 day with an elite international category by invitation) and the grade 1 events in Castle Bernard and Donedea. A minimum standard of performance over W.O.C. course lengths i.e. M21 15.7km , W19 8km will be essential for a team nomination. This will be in the region of 10mins/km for men, and 12mins/km for women. The team will be named in June.

Club revenue from the AFAS sponsorship event will be put into an International Team Fund to help defray the cost of entries and travel. All offers or suggestions for fund raising or commercial sponsorship would be most welcome.

GEN NEWS

A BRIEF INTRODUCTION TO DONADEA DEMENSE.

ON MAY 14TH, GEN WILL BE HOLDING AN EVENT ON A NEW MAP IN DONADEA DEMENSE. THE AREA IS VERY SIMILAR TO KILCOOLEY, HAVING A CASTLE AND LAKE AND BEING MAINLY FLAT, OPEN, RUNNABLE FOREST. IN ALL THERE ARE ABOUT 400 ACRES OF SOFT WOOD AND 200 ACRES OF HARD WOODS AMONG WHICH THE GIANT REDWOOD OR SEQUOIA TREES TAKE PRIDE OF PLACE. THE FORMER MAIN ENTRANCE IS FRAMED BY A LIME TREE AVENUE OVER 1/2 MILE LONG.

DONADEA CASTLE ITSELF WAS INHABITED AS RECENTLY AS 1935 AND WAS THE ANCESTRAL HOME OF THE ALYMERS. THE CASTLE WAS DESTROYED BY CROMWELL IN 1641 AND REBUILT IN THE FOLLOWING CENTURY, THE LAST ADDITIONS BEING MADE IN 1827. IT WAS SOLD IN 1940 BY THE DEPT. OF LANDS FOR DEMOLITION. WITHIN THE GROUNDS EXIST THE REMAINS OF AN ITALIAN ORNAMENTAL GARDEN, AN ICE-HOUSE, A SMITHY ETC.

THE FOREST AND WILDLIFE SERVICE HAVE CARRIED OUT IMPROVEMENTS IN THE FOREST OVER THE LAST TWO YEARS. PRINCIPAL WALKS HAVE BEEN SIGN-POSTED, THE LAKE WAS DREDGED, AND PLANS HAVE BEEN MADE TO IMPORT DEER INTO THE FOREST TO ADD TO THE ALREADY NUMEROUS WILDLIFE.

QUESTION — W DELANEY

A REALLY GOOD DAY'S ENJOYMENT WAS HAD ON 4TH FEBRUARY AT BALLINAHINCH/ KILMURRY, A WELL ORGANISED EVENT ON A GOOD MAP. HOWEVER, ONE THING PROMPTS ME TO PUT PEN TO PAPER AND OPEN A QUESTION FOR DISCUSSION.

MY REASON FOR DOING SO IS NOT TO SHOW SOMETHING WRONG, BUT ASK IF THERE IS ANYTHING WRONG WITH THE NUMBERING OF CONTROL CODES ON THE A COURSE IN A SEQUENCE STARTING WITH ONE. THIS HAS HAPPENED AT SOME OF THE BETTER ORGANISED EVENTS OVER THE PAST YEAR. THE TWO POINTS IN THE ISSUE, AS I SEE IT, ARE:

- IT IS VERY CONVENIENT FOR A COMPETITORS BUT SHOULD IT NOT APPLY TO ALL COURSES EQUALLY, OR ELSE APPLY TO NONE.
- OTHER COURSE RUNNERS (COURSES B TO E) WILL KNOW IF THEY ARE HEADING FOR THE SAME CONTROL AS AN A RUNNER, WHO WILL NOT SHARE THIS KNOWLEDGE. AN EXAMPLE OF THIS CAN BE SHOWN FROM BALLINAHINCH. A RUNNERS HAD THREE CONTROLS IN THE OPEN GROUND, CODES 12, 13, 14. B RUNNERS HAD 2, CODES 12, AND 14. B RUNNERS WILL KNOW A RUNNERS HAVE TO COLLECT 13 BEFORE GOING ON TO THEIR NEXT CONTROL AND THEREFORE, EXPECTED TO SEE THEM RUN IN A DIFFERENT DIRECTION, AND REJOIN THEM, LATER, THUS GIVING A PATTERN, WHICH A RUNNERS DO NOT HAVE.

GEN NEWS (CTD.)

IN SUMMARY OTHER COURSES WILL KNOW WHAT A RUNNERS ARE UP TO. THERE MUST BE AN ADVANTAGE SOMEWHERE IN THIS? I THINK?

COMMENTS WELCOME.

SETANTA NEWS

OUR SECOND TRAINING EVENT OF THE SEASON WAS HELD IN BALLINASTOE WOOD ON THE 19TH MARCH AND WAS MADE VERY ENJOYABLE FOR US BY THE INTERESTED PARTICIPATION OF A NUMBER OF OUR EXPERIENCED ORIENTEERS. THE TWO SMALL INSERTS BELOW SHOW THE ACTUAL POSITIONS OF THE CONTROLS ON THE COMPASS AND LINE SECTIONS. THE CONTROLS ON THE CONTOUR EXERCISE WERE NOT SURVEYED IN, APART FROM BEING ON THE LEVEL. OUR THANKS TO GEN FOR ALLOWING US TO USE THE MAP AND WOOD.

AT THIS EVENT WE INTRODUCED, FOR THE FIRST TIME, THE NEW SETANTA PACING BLOCK. THIS CARD IS DESIGNED TO GIVE THE ORIENTEER AN ACCURATELY DIVIDED SCALE WHICH HE MAY STICK TO THE LEADING EDGE OF HIS COMPASS. FROM THIS HE CAN TELL THE NUMBER OF DOUBLE PACES WHICH HE MAY EXPECT TO TAKE TO COVER ANY DISTANCE MEASURED ON THE MAP. THE METHOD HAS THE ATTRACTION THAT THE MEASUREMENT IS DIRECT TO PACES AND DOES NOT REQUIRE ANY MENTAL ARITHMETIC ON THE RUN. ONCE THE ORIENTEER HAS ESTABLISHED THE AVERAGE NUMBER OF PACES WHICH HE TAKES TO COVER 100M ON THE GROUND HE CAN SIMPLY CUT THROUGH THE BLOCK AT THE APPROPRIATE LEVEL FOR ANY OF THE COMMON SCALES FROM 1:10,000 TO 1:20,000. THE WORKING END OF THE BLOCK IS ILLUSTRATED BELOW, TOGETHER WITH A STRIP AS IT MIGHT BE MOUNTED ON A COMPASS. THE BLOCK IS PRINTED IN BLACK AND RED SO THAT THE 100 AND 50 PACE INTERVALS STAND OUT. THE PROBLEM OF THE INEVITABLE VARIATIONS IN PACING LENGTH DUE TO SLOPE AND TIREDNESS ARE CIRCUMVENTED BY THE CONSISTENT USE OF ONE PARTICULAR PACING INTERVAL, AS THE MIND IS THEN FREE TO MAKE THE NECESSARY ADJUSTMENTS ALMOST AUTOMATICALLY.

THE BLOCK WILL, WE HOPE, BE ON SALE (PRICE 5P) AT EVENTS IN THE FUTURE. WE ARE ALREADY AWARE THAT A LITTLE REDESIGN COULD IMPROVE THE BLOCK, SO PLEASE LET US HAVE YOUR COMMENTS. PERHAPS IT WAS SETANTA ALONE WHO TOOK A MERE 30 PACES TO COVER 100M?

3ROC NEWS

OVER THREE HUNDRED COMPETITORS TURNED UP AT THE BALLINAHINCH AND KILMURRY EVENT ON FEBRUARY 5TH. THE 3ROC COMMITTEE ARE NOW CONSIDERING WHETHER TO INVEST IN OFFICE ACCOMMODATION IN BALLSBRIDGE OR JUST TAKE A YEAR OFF AND GO TO THE BAHAMAS.

EOIN ROTHERY HAS RESIGNED FROM THE COMMITTEE AND HAS BEEN REPLACED BY BRENDAN CRYAN. THE QUESTION NOW BEING ASKED IS CAN HE STICK THE HECTIC PACE OF LIFE AS A 3ROC COMMITTEE MEMBER? ONLY TIME, GENTLEMEN, WILL TELL.

THREE ROCK O.C. WAS MENTIONED ON TV ON "NEWS FROM AROUND THE COUNTRY" AFTER THE 18.15 NEWS ON TUESDAY, FEBRUARY 7 - WITH SHOTS OF W. McAULIFFE VAULTING A GATE, THE MAP, RESULTS, AND FOR THE FIRST TIME ON TELEVISION A CONTROL AND PEOPLE ACTUALLY PUNCHING AT IT (!)
OUR NEXT EVENT IS APRIL 23.
TRAINING CONTINUES ON WED. BELFIELD 18.15 HRS.

WE HEAR .....

THAT THERE IS TO BE NO MOUNTAIN MARATHON ORGANISED THIS SUMMER BY ANY OF THE LEINSTER ORIENTEERING CLUBS. IT IS FELT THAT THERE ARE ENOUGH "WALKS", "RUNS" AND "MARATHONS" FIXED BETWEEN NOW AND THE END OF JULY TO CATER FOR ALL BUT THE MOST FANATICAL. HOWEVER, WE HAVE ALSO HEARD THAT LATER ON IN THE YEAR THERE ARE PLANS FOR IRELAND'S FIRST "LONG-O" AND THE VENUE IS CO. WICKLOW. MORE LATER WHEN DETAILS ARE FIXED.

..... THAT THE LEINSTER SCHOOLS ORIENTEERING ASSOCIATION HAVE LOTS OF TROUBLE CONTROLLING THE LARGE NUMBERS WHO TURN UP AT THEIR EVENTS. TO HELP THEM WITH THIS PROBLEM THEY HAVE ACQUIRED A LOUD HAILER (NOT A MEGAPHONE) AND IT IS ADVAILABLE TO OTHER CLUBS ON A HIRE BASIS. THOSE INTERESTED SHOULD CONTACT MONICA TURLEY, 4 OLD ORCHARD, RATHFARNHAM, DUBLIN, 14.

..... THAT JOHN MCCULLOUGH, THE NEVER-TIRING SECRETARY OF THE IOA HAS BEEN APPOINTED AS IOA'S REPRESENTATIVE ON THE JOINT REPRESENTATIVE COUNCIL OF AFAS, THE ASSOCIATION FOR ADVENTURE SPORTS.

IOA 'COACHING' SCHEME

HERE I PRESENT CERTAIN OBSERVATIONS ON THE USE OF BUSES FOR TRANSPORT TO ORIENTEERING EVENTS, WITH PARTICULAR REFERENCE TO JK '78. THE MAJOR DISADVANTAGE IS THAT IT IS UNLIKELY THAT 50 PEOPLE WILL BE EITHER WILLING OR ABLE TO GO TO THE SAME PLACE AT THE SAME TIME. THIS PROBLEM WAS PERHAPS MOST APPARENT AT THE JK INDIVIDUAL EVENT WHEN WE HAD START TIMES AS DIFFERENT AS 10.08 AND 14.10. THE BUS HAD TO LEAVE THE SCHOOL WHERE WE WERE ACCOMMODATED AT 08.15 HOURS TO BE IN TIME FOR THE EARLY STARTERS - SOME OF WHOM HAD A 2KM WALK TO THE START - AND IT HAD TO REMAIN UNTIL THE LAST FINISHER OF THE PARTY RETURNED AT AROUND 16.30. DURING THAT TIME THE BUS WAS PARKED, LOCKED, AT THE FAR SIDE OF THE COMPETITION AREA WHERE WE COULDN'T GAIN ACCESS TO IT AND TWO PEOLE WHO GOT IN VIA THE EMERGENCY DOOR GOT A RATHER RUDE RECEPTION FROM THE DRIVER WHEN HE RETURNED.

FOR THE RELAYS ON THE SUNDAY THE BUS PARKED 3.5 KM AWAY FROM THE START, AT THE FOOT OF A STEEP HILL - WE WEREN'T ALLOWED TO PARK ANY NEARER, AND SEVERAL HOURS WAITING WERE INVOLVED FOR EVERYBODY.

I THINK THAT WHEN PEOPLE DECIDED TO TRAVEL BY BUS THEY REALISED THAT A CERTAIN AMOUNT OF THEIR FREEDOM OF MOVEMENT WOULD BE LOST, BUT I DON'T THINK ANYONE IMAGINED JUST HOW MUCH. THE PROBLEM WAS THAT NONE OF THE EVENTS HAD ADEQUATE FACILITIES FOR COACHES, EVEN TO THE POINT OF ACTIVELY DISCRIMINATING AGAINST COACH PARTIES BY MAKING THEM PARK SO FAR AWAY AND BY NOT PROVIDING BIG ENOUGH CHANGING TENTS FOR THOSE WHO DIDN'T HAVE CARS TO CHANGE IN. THOSE ON THE BUS HAD TO ENDURE LONG WAITS, LONG WALKS AND LONG PERIODS OF LISTENING TO RADIO 1 OR RADIO SHEFFIELD. CARS, BY CONTRAST, WERE PANDERED TO WITH PARKING BESIDE THE STARTS AT EACH EVENT, DESPITE THE FACT THAT THEY CARRY FEWER PEOPLE PER UNIT AREA THAN COACHES. CERTAINLY ANY CLAIM THAT WE WOULD TAKE UP TOO MUCH PARKING SPACE WOULD NOT GO UNDISPUTED - AFTER ALL, HOW MANY CARS WOULD YOU NEED TO CARRY FIFTY PEOPLE?

COACH TRAVEL HAS SOME ADVANTAGES, HOWEVER: IT IS PROBABLY CHEAPER FOR LONGER JOURNEYS, IT ENABLES PEOPLE WITHOUT PRIVATE TRANSPORT TO TRAVEL TO EVENTS, AND IT IS ARGUABLY MORE PLEASANT FOR THOSE WHO WOULD OTHERWISE BE DOING THE DRIVING. IT APPEARS THAT THE LONGER THE JOURNEY THE MORE ARE THE ADVANTAGES OF COACH TRAVEL.

FINALLY I WOULD LIKE TO COMPLIMENT EVERYONE ON THE BUS FOR BEING SO PATIENT AND GOOD HUMOURED AND FOR PUTTING UP WITH ME FOR SO LONG, EVEN THOUGH THEY DID GIVE ME THE SACK AT THE END.

AND ANYBODY WITH IDEAS ABOUT HOW TO GET TO DEVON FOR JK'79, KEEP THEM TO YOURSELF.

UNCLE JOHN.

WOMEN (3 to count) 1 UNIVERSITY COLLEGE, DUBLIN 337.47 N/F BSOS, QUB, DUO

TRINITY NEWS | FOR SALE Over 100 badly premarked, unused Hollywood maps; and over 200 durable large brown paper bags. Going cheap. Very cheap.
Work has started again on Killiney Hill and rumour has it that the basemap may be finished before the 1983 deadline.
The Apathy Party are again favourites to fill all the posts at the forthcoming AGM. If anybody turns up, that is.
Irrelevant statistic — The most recent person to win his first Grade 2 M21A event in Leinster, before Gerry Byrne at Glendalough this March, was Pat Nash at Kilcooley in April 1976.

LOK CHALLENGE

CATHERINE MORTAGH

THE LOK CHALLENGE WAS HELD IN LONDON ON FEBRUARY 18TH AND 19TH. SEVEN MEMBERS OF LOC PARTICIPATED AND THE WEATHER IN GENERAL OVER THE WEEK-END WAS VERY COLD AND FROSTY. EILEEN LOUGHMAN, TED MCGRATH AND I WENT OVER BY PLANE AND THE FLANAGANS, TOM MCCORMACK AND WINNIFRED DELANEY WENT BY BOAT AND TRAIN. THE RETURN JOURNEY FOR THE FLANAGANS WAS DELAYED BECAUSE THE BOAT MADE RATHER CLOSE CONTACT WITH THE DOCK!

ON SATURDAY WE WENT TO BRAESTED CHART, NOT EPPING FOREST. IT WAS BITTERLY COLD AND THE GROUND WAS SNOW-COVERED. TOM WAS THE BEST SKILLED AT TRAVERSING THE ICY SLOPE OF THE CAR PARK AT SPEED! THERE WERE TWO COURSES, THE A BEING A CONTINUATION OF THE B, AND ABOUT 18 PEOPLE COMPETED. MANY OF THE TIMES TAKEN SHOULD NOT BE MENTIONED.

I WAS SURPRISED TO FIND THAT ENGLISH PUBS CLOSED AROUND 2.30 PM. HOWEVER, WE HAD A FEW MINUTES TO THAW OUT BY THE FIRE. VISITING MY GRANDPARENTS ON THE WAY BACK MADE THE WEEKEND A LITTEL MORE SPECIAL, FOR ME. IN THE EVENING WE WENT TO AN ITALIAN RESTAURANT FOR A VERY WELCOME MEAL, AND NOT A FEW COMMENTS WERE MADE ON SOME APPETITES.

SUNDAY'S EVENT WAS A BADGE EVENT AT CHRISTMAS COMMON AND AGAIN WE SET OUT ON THE MOTOR WAYS - ITS GOOD WE DON'T HAVE SUCH ROADS IN IRELAND! THERE WAS A 2KmWALK OVER ROUGH FROZEN GROUND TO THE START AND IT WAS QUITE HARD ON THE ANKLES, ESPECIALLY THROUGH THE PLOUGHED FIELDS. USUALLY I FORGET SOMETHING AND THIS TIME WAS NO DIFFERENT. THE MAP WAS TYVEK AND AN ORDINARY BIRO COULDN'T MAKE THE CORRECTIONS AT THE PRE-START AREA; SO MY MEMORY WAS PUT TO THE TEST! IT WAS ANNOYING, AS SOME FEATURES RELATED TO MY COURSE. I FULLY INTENDED NOT GETTING LOST THIS TIME, (AT LEAST NOT AS OFTEN AS AT BRAESTED!). EILEEN DID VERY WELL, WITH WINNIFRED NOT FAR BEHIND. EILEEN WAS PRESENTED WITH A BEAUTIFUL TROPHY FOR HER WIN IN W19A.

WE LATER WENT TO "THE OLD NAG'S HEAD" AND TOM TRIED TO EXPLAIN TO THE BARMAN ABOUT MAKING HOT WHISKIES - ALAS NO CLOVES! FOR DINNER WE ALL WENT TO MAX AND PAULINE ? 'S HOUSE AND THERE REMINISCED ON THE WEEKEND'S ADVENTURES, COURSES, ERRORS AND ACHIEVEMENTS. IT WAS A WEEK-END OF EXPERIENCE, BEING MY FIRST LOK EVENT, AND I THOROUGHLY ENJOYED MEETING THE LOK MEMBERS. MANY THANKS TO THEM ALL FOR ACCOMMODATING US AND GIVING US SUCH A GOOD WEEKEND. CONGRATULATIONS TO THEM ON WINNING THE CHALLENGE AGAIN!
