5 Tage OL 16-20 Ungarn
Information from OL-Tage Ungarn, Magyar Tajekozodasi Futoszoet - SE9 Pf 614, H-1374 Budapest, UNGARN.

26-30 Aug. 79 WOC Training in Finland.

1- 4 Sep. 79 World Championships in Orienteering, Tampere, Finland.

MACTIRE MESSAGE

Mactire AGM will take place on Wednesday 29th November in the Crofton Airport Hotel at 8.p.m. We hope that this venue will suit all members especially those who live on the northside of the city. We are looking forward to meeting all members including those who joined recently.

3ROC NEWS

Slide Competition: As a result of the unprecedented response from keen orienteers and photographers all over the province the slide competition has had to be postponed. This regrettable decision has been made necessary because of the fact that the organisation of the competition was barely able to cope with the load, the structure of the entire club was creaking beneath the burden of the immense quantities of slides being brought almost daily by the harassed postman. The total number of slides surpassed all my wildest dreams - there were (wait for it!) eight! Not eight hundred - EIGHT (8)! Astounding.

However, not all is lost. The competition will take place near Christmas - details will be displayed at events.

Events ; Clarabeg, North of the Laragh - Rathdrum road. November 25th. Many club members will be required to help on the day - you will be approached shortly.

Training - Belfield, Wednesdays, 18.00 hours.

If any club members are prepared to bring 3ROC juniors to events - even occasionally - please contact Hon. Sec.
Change of Address for Hon. Treas. to 223 Richmond Court, Dartry, D. 6.

IOA Notice: Due to incorrect information received we wrongly attributed Mr. David Fitzpatrick, the IOA Honorary Medical Officer, to MAC. He is, of course, a member of Setanta O.C.

Due to mapping difficulties next year's Senior Championships will be held in Autumn rather than in April as had been planned. The event will be in the Fermanagh/Derry area.

IOA will subsidise one person from each club to attend the planning and organisation course being run by BOF at Newcastle, Co. Down, on December 1/2/3. The subsidy will amount to £6 per person. Apply to your club secretary as soon as possible. Additional people may attend if space permits but they must finance themselves.

IOA Notice: At the AGM of the IOA on October 1st in Newbridge the Executive Committee were re-elected for a further term until early 1979.

G.E.N. NEWS

A.G.M. THIS WAS HELD AT 9, LAD LANE, ON WED. 25th OCTOBER. THE FOLLOWING WERE ELECTED TO THE COMMITTEE:

CHAIRPERSON:	MAURA THORNHILL, 14, TANEY CRESCENT, DUBLIN 14.
SECRETARIES:	ANN MC BRIDE, 19, RAHEEN PK., BRAY, CO? WICKLOW.
	ROSEMARY DOORLEY, 11, GREY GATES, MOUNT MERRION.
TREASURER:	PAGET MC CORMACK, 11, GREEN RD., BLACKROCK, CO. DUBLIN.
MEETS SECRETARY:	DAVID QUINN, 67, WOODBINE RD., BLACKROCK.
TRAINING OFFICER:	WINIFRED McCORMACK, 5, BRACKENBUSH PK., BALLYBRACK.
COMMITTEE MEMBERS:	EILEEN LOUGHMAN
	PHILIP RYAN

CLUB BADGE This is now available at the nominal sum of 75p. The club wishes to express their grateful appreciation to Mike Lunt who designed the badge and had it produced. Now there is no excuse for not recognising your fellow members. As we are expecting an economic boom, buy now while stocks last!

MAPPING The club hopes to maintain their good record for map production in '78. Carrickgollogan will definitely be ready by next Summer. Ms. Loughman will commence mapping Glen of the Downs (shortly). The McCormack family are currently mapping Brocagh Wood. David Quinn will be revising Ballinastoe early next year.

SOCIAL EVENTS Many thanks to Eileen and Maura for organising the Car Treasure Hunt which was a great success. This was the only redeeming feature in our empty calendar of social events last season. We hope all members will help to remedy this next year. Any suggestions will be warmly welcomed.

TRAINING EVENTS We hope to run more training events next season. It has been suggested that more seasoned members would help out in this area, i.e. would undertake to take out small groups for training courses. Anyone interested in this should contact the Training Officer.

SUGGESTION To help club members to get to know one another and improve their performance, it has been suggested that we meet after the Donadea Event and go over the courses with the winners maps. Venue will be decided on the day.

As there will be a number of Orienteers coming from England for the O-RINGEN and must be accommodated, we shall be most grateful for any offers of help for transport and accommodation.

We hope to see all our club members out in force and in marathon form at the DALKEY ISLAND HOTEL. This is one training event you can't afford to miss,....So.... COME-AND-TRY-IT!!

SETANTA NEWS:

The A.G.M. was held in Blades of Terenure on September 27th last, after a street event organised by T. Caffrey. The Committee for the new season was elected as follows:-

Chairman:	Aubrey Flegg
Outgoing Chairman:	Michael Williams
Treasurer:	Denis Deasy
Secretary:	Brian Power
Equipment Officer:	Niall Rice
Members:	Una Cregan
	Catherine Murtagh
	Tommy Caffrey

There was a lively discussion on what should be the expectations of the Club for the new season. The Club had progressed considerably in the last year and was now on a sound footing with approximately 70 members. A discussion on how to attract new members from surrounding areas was hastily dropped when it was realised that there were spies from another Club "planted" in the audience. The proceedings were frequently interupted by the opening of a hatch and the delivery of pints.

The New Committee has had two meetings since then and is hopeful of a successful season all around. The cancellation of the Stranahealy event was an unavoidable disappointment and the re-running of the Mountain Marathon was considered quite a success.

The importance of producing new maps is more than ever apparent now and the mapping of Ballinascorney - Seahan Wood has started, and is scheduled for completion in time for a Grade 1 event next May. Any Members wishing to assist should contact B. Power.

Setanta are organising the Dinner Dance on November 25th next. Details are available elsewhere in this Circular. Tickets are available through the Club Secretaries. Setanta Members should send their subscriptions to B. Power, 69 Idrone Drive, Knocklyon, Dublin 16. Telephone: 941378.

Members who have not already done so are reminded that annual subscriptions are now due, and should be sent as soon as possible to the Secretary.

Setanta "MAGIC POTION" - guaranteed to keep you running, and first sampled by other club members at the recent Mountain Marathon.

1 gal. water
2 tins concentrated orange juice
1 large cup glucose powder
5 level teaspoons salt
SHAKE WELL - One cup should do the trick.

LEINSTER SCHOOLS ORIENTEERING ASSOCIATION

The LSOA would like to thank all those who helped to make the IRISH JUNIOR CHAMPIONSHIPS a success; in particular, the Course Planners: Ted McGrath, Tom McCormack and Win Delaney, and the Organiser: Pat Flanagan. We were delighted to welcome such large numbers from the North, from Munster Orienteers and from Thomond OC. Congratulations to all prize-winners and especially to NWOC who won all classes except one in the Relays.

LOK CHALLENGE

If you can provide transport or and accommodation for competitors from England please me by writing to me at 92 Herbert Park, Herbert Road, Bray, Co. Wicklow.

Transport will be required for 20 people approx. from (1) Dun Laoghaire to Donadea, (2) from Donadea to accommodation to Dinner Dance (3) to and from Clarabeg and (4) to Dunlaoghaire.

If you can help at all please do so as most members of GEN and 3ROC are concerned with organising the events and will be unavailable for Transport.

Most visitors bring sleeping bags and the accommidation required is very simple.

Club members please note that subscriptions for 1978/79 are now due.

Family membership	£4
Individual "	£3
Student/Junior	£1

PHOTOGRAPHIC COMPETITION

This is your last chance to enter the 3ROC Photo Competition. The winners will be announced on Tuesday, Dec. 12th at Glenalbyn House, Stillorgan, and there will also be a slide show.

Sections:				
	Senior:	O-Slide	General Slide	O-Print
	Junior: (M/W17 or Under)	"	"	"

Up to six slides may be submitted by any entrant, and up to three prints. Prints must have no edge of less than 5 inches, and not more than 4 slides may be entered in any one section.

Entries to J. McCullough, 34 Dun Emer Drive, Dublin 14 or any 3ROC Committee member on or before November 26th. No late entries can be considered.

Suunto of Finland · DEPENDABLE COMPASSES *for* **Great Outdoors**

SUUNTO COMPASSES ARE NOW AVAILABLE
IN IRELAND THROUGH THE GREAT OUTDOORS

We now carry a carefully selected range of Suunto compasses to cater for novice and expert at very reasonable prices.
Pictured above is the RA752D which features a pace memorizer and declination correction device. This model was selected by members of the Irish World Championship team. R.R.P. £7.25

Great Outdoors

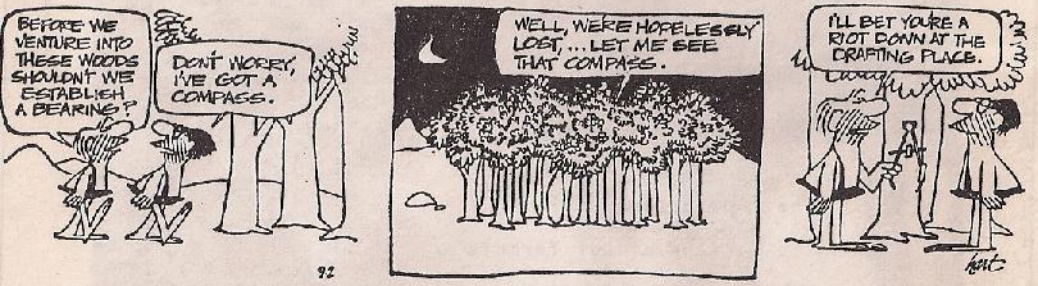
7		Aragorn	UCDO	51



THE DUBLIN LEAGUE

Match results from the Curragh;

GREAT EASTERN NAVIGATORS	18	SEANTA O.	14½
MAGTIRE O.C.	11	THREE ROCK O.C.	1½

Remember that the competition was in three classes, W19A, M21A, M35. The fact that because of this, each club needs to field a team of at least 4 M21A, 2 W19A and 2 M35. That this works against the small club, even more so than the normal requirements of any competition, is illustrated well from the Curragh. In the W19A 3ROC scored 6 to SET's 0, and in the M35 it was GEN 7 MAC 0. I can go some way towards alleviating the problem by breaking down the overall into seperate classes. In retaining the overall as well I hope to see how it works and provoke reaction, hopefully with new ideas.

Current Standings ;

OVERALL		W19A		M21A		M35	
GEN	18	3ROC	6	SET	11½	GEN	7
SET	14	GEN	5	MAC	9	SET	3
3ROC	13	MAC	2	GEN	6	3ROC	3
MAC	11	SET	0	3ROC	3½	MAC	0

Notes; A triple dead heat in the M21A at Curragh threw an extra large proverbial spanner in the works. I would appeal to timekeepers everywhere to take the time to the nearest second.

The cancellation of Stranahely and a gremlin in the last newsletter mean changes in the remaining fixtures, which are as follows;

NOV 5	Castlebernard	GEN	vs	3ROC		
NOV 25	Donedea	MAC	vs	SET	MAC	vs 3ROC
NOV 26	Clarabeg	GEN	vs	SET		

General Organiser's Report

IRISH JUNIOR ORIENTEERING CHAMPIONSHIPS

The IJOC championships are over and gone, and now it is time to put up the feet and reflect on the event. Like all Irish happenings nothing much seemed to be going on until the very last moment, and then did it ever happen ! Well over one hundred man hours went into planning and organising the event from working out the start list, to planning the courses, premarking the maps, procuring the drinks , and getting all the controls in their respective positions. At least twenty people were needed on both days to run the show.The success of the event and the obvious enjoyment derived by the participants was the tangible evidence of how well things went. It is worth noting that with 60 punches out, not a single one was lost during the two days.

It was evident that the digital watch is the most flexible and foolproof way of timing an event. It was equally obvious that different colour number cards with a pin at each corner are required for clear identification of relay runners coming into the change/over/ finish.

As the championship standard keeps increasing with its demand of better organisation, it is apparent that this high level of effort will be needed in future. This can probably be done best by a single club working with an overall co-ordinator so that there is good communication. Late entries may have to be penalised if start lists are not to be rewritten and rewritten time and time again and late-comers will have to start when they arrive with the penalty. We must ask ourselves seriously if this is the way we want the sport to go.

Finally, I would like to thank all the organising team, the competitors who came, Noel Carroll who presented the prizes, the National Dairy Council for their gift of numerous cartons of milk, and Beechams Of Ireland for their donation of START & FINISH banners and the almost inexhaustable supply of Lucozade.

Pat Flanagan

Mountain Marathon : 16th July, 1978.

THE STRANAHEALY NON-EVENT:

There is a lot to be said for the advice "least said, soonest mended", but so many people were involved as a result of the cancellation of the Stranahealy event, that I would like to thank everyone for their help and forbearance. No one was in any way to blame for the sudden cancellation of the event. The correct procedures were followed, and I am satisfied that everyone, from ourselves, with over fifty controls ribboned, to the Army hierarchy, did their best to avoid the final axing of the event. Brian Power, in particular, IOA and all Club Secretaries deserve particular thanks for organising one of the fastest, and I believe, one of the most effecient circularisation jobs yet attempted. It was Simon Stewart however, who in less than a week, organised the Djouce Marathon which replaced the event. The fact that this was one of the best attended marathons ever held in Wicklow, says a lot for the resiliance of Orienteering in Ireland, and the effectiveness of inter-Club co-operation.

Aubrey Flegg,
Chairman,
Setanta Orienteers.

RESULTS Curragh Oct. 1 (Sport For All Day)
