Fellow Orienteers,

I know there has been a reluctance among people to enter early for the IOC this May in Kerry.

There has been a lot of work done in recent weeks to revise the pricing structures for the events and the recently published prices should prove more attractive to most competitors.

I'd like to encourage everyone to enter, and believe it will be a great event on excellent maps updated this year, in the finest part of the country (personal bias there :)).

Lets ensure the Irish Champs is the most competitive it can be as our premier event of the year.

I hope to see you all in Kerry over the May holiday weekend.

thanks,

Brendan
