<http://eyoc2014.com>

Eligible for selection are M/W18s (born 1996, 1997) and M/W16s (born 1998, 1999). As EYOC is 3 weeks before JWOC (21-28 July) eligible athletes may be selected to compete at both JWOC and EYOC.

To compete on an Irish team athletes must hold an Ireland passport and be a current member of an IOA or NIOA club.

To be considered for selection it is compulsory to attend the Irish Orienteering Middle and Long Championships 2014, and the March 2014 Time Trials. If there is compelling reason for not attending this should be explained to the selectors in advance.

Selections will be based on the results of the competitions listed below (with a minimum of 2 Sprint and 3 non-Sprint), and on all other known form during Spring 2014. If athletes wish other results to be taken into account they should notify the selectors of date, location & website before 30<sup>th</sup> April.

Athletes with no major international competition experience will not be considered for EYOC, and it is strongly recommended that an international event is included for selection purposes in Spring 2014.

The team will be announced immediately after the Irish Championships.
