

## **Vice-Chairperson Report - Orienteering Ireland AGM, May 2022.**

Most of the vice-chairperson's activity is behind the scenes and the past year was no exception.

My main involvements were with:

The Orienteering Ireland Governance Group, with Fergal Buckley, Mary O'Connell, Paul O'Sullivan Hourihan & Sarah Ní Ruairc;

The Sport Ireland digital database of sports facilities in Ireland;

Contacts with Sport Ireland regarding risk management;

The Sport Ireland "Gov Enhance" programme, including making a presentation at one of their webinars;

The post-Covid "Return to Orienteering" group.

The Governance and Risk management aspects of the role will likely intensify during the coming year with an increased emphasis these areas, particularly with the expected change in the status of Orienteering Ireland to a company limited by guarantee.

John McCullough
