R5.8 Mapping Advisers

R5.8.1 A Mapping Advisor may be appointed by the OI Management Group for all C1 and C2 status competitions.

R5.8.2 The Mapping Advisor should have considerable mapping experience and be very familiar with the IOF mapping standards.

RULE 6 – TERRAIN

The terrain must be chosen so that it can offer fair competition to all competitors. To safeguard the character of the sport, the terrain should be runnable and suitable for testing the orienteering skills of the competitors and should suit the different categories of competition.
